Subject: Up-Skilling of pass out trainees for enhancing employment prospects

Sir,

Jammu and Kashmir Power Development Corporation Limited is going to conduct a honorarium based practical training programme for pass out trainees from ITI/Polytechnic sector to get hands on experience for installation of off-grid solar system for households and street lights thus enhancing their prospects of better employment in future not only in JKSPDC but also in other organisations. The services of the trained youth can be utilized by JKSPDC for implementation of the said scheme in the identified un-electrified remote areas of various districts in shortest period of time

In order to finalize the candidates to be deputed for undergoing sponsored training, you are directed to provide the list of interested pass out trainees of different trades of your respective institutes by mobilizing the Placement Cells on the prescribed format (enclosed) as per break-up indicated against each institute along with following documents latest by Saturday 10th February 2018 through email jkdte1@gmail.com followed by duly signed hardcopy:

1. NCVT/SCVT Certificate or Marks Card.
2. Permanent Resident Certificate.
3. Date of Birth (DoB).
4. Two latest passport size photographs.
